

# The Project SEARCH Alumni Association

  
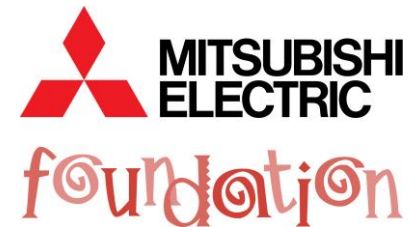

Project | SEARCH®  
Alumni Association

# Goals of the Project SEARCH Alumni Association

1. Connect with and facilitate communication among the alumni, families, and staff post graduation
2. Provide support, resources, webinars, and opportunities for professional growth featuring our alumni. Send updates on employment opportunities, independent living, benefits, and networking events.
3. Gather long-term impact data of Project SEARCH through surveys of the members to improve programs and support

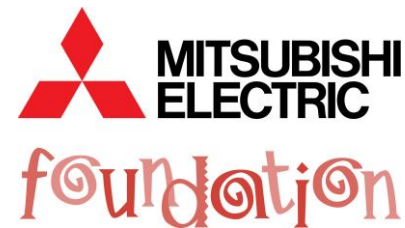

# Why You Should Join the Alumni Association

**Stay Connected** with Project SEARCH and fellow alumni. Also, network and bond with fellow alumni.

## **Access Resources**

- Webinars on professional development, self-advocacy techniques, work-life balance strategies, retirement plans, etc.
- Information on employment benefits, independent living, and how to re-enter the workforce.

**Contribute** Participate in future surveys to improve Project SEARCH programs and answer questions for longitudinal data.

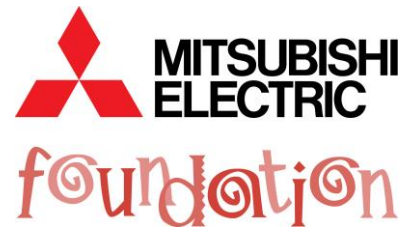

# How to Join the Alumni Association (Individuals)

- Fill out the contact form (Link & QR code)  
<https://www.surveymonkey.com/r/MN6MQDN>
- This will give us your name and email to enter into our mailing list

Alumni Association

# The webpage

- For more information check out the new webpage on the official Project SEARCH website!
- In the future our goal for the website is to have interest pages; promote bonding since this is an online platform.

## Project SEARCH Alumni Association

The Project SEARCH Alumni Association is a community for the thousands of Project SEARCH graduates living and working around the world. The families of alumni and the professionals who work, or have worked, in Project SEARCH programs are also welcome to join.

### What does the Project SEARCH Alumni Association offer?

- Information about employment, independent living, benefits, and other resources to keep members updated on new developments.
- Opportunities to provide feedback on your Project SEARCH experience and share your progress after graduation.
- Webinars and learning opportunities for alumni and families to help keep you connected to the national and global Project SEARCH community.

### Is there a cost to join?

- Participation is entirely free and voluntary, and members can withdraw at any time.

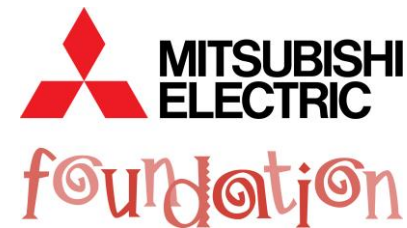

### Who is eligible to join the Alumni Association?

- The Project SEARCH Alumni Association is for graduates of the Project SEARCH program across the United States and anywhere in the world.
- Parents, other family members, guardians, instructors, and other Project SEARCH staff are also welcome to join.

### How do I join?

- Click [HERE](#) (or button below) to be entered into the Project SEARCH Alumni Association mailing list.

**The Alumni Association will:**

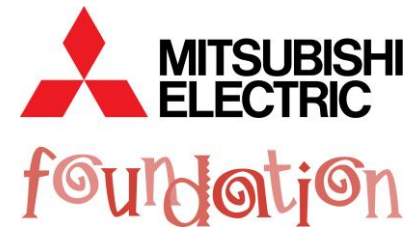

- **Provide updates on employment opportunities, independent living, benefits, and re-entering the workforce.**
- **Gather input from alumni to learn about the Project SEARCH experience and life after Project SEARCH.**
- **Offer webinars, continued education, and resources to keep members connected.**
- **Create a space for alumni to share their interests, hobbies, and updates.**

**Membership is free and open to all Project SEARCH graduates, families, guardians, and Project SEARCH staff.**

**Join the Project SEARCH Alumni Association by providing your name and email with this link or QR code!**

**<https://www.surveymonkey.com/r/MN6MQDN>**

# What would you like to see from the Alumni Association?

What topics or issues do you think we can address?
